

music and news 2.17.09

Ok here is this weeks news roundup:

[Moderat](#) you say? Actually this is [Apparat](#) and [Modeselektor](#) getting down like clowns with a new album coming out April 21 on Bptichcontrol. Look for a slammin new single "Rusty Nail" with remix from Booka Shade and Shackleton. Our man [Josh Wink](#) has (insert banana joke here) with his new album *When a Banana was just a banana*. And on the local front we are getting down with [Chris Fortier](#) at the Blue Room next Saturday Night 2/28. Also this week don't miss [Ego Killer TV](#) Boxer Records label spotlight on Comcast Cable Ch. 29 Saturday night at 8:30pm and don't forget the Ego Killer grind with Ted Lane, Justin Shurman, myself and guests rockin out at the Coffee Grinder.

Music Please:

- These fellas started the infamous Circus Company and have a live act up there at the top so expect no less from their Bodytonic podcast:[Bodytonic Podcast 030 : Noze :: Podcasts :: Bodytonic](#)
- The folks at m-nus have spiced things up with a new series of podcasts giving you some insite into there music pedigree first up Marc Houle [\[-\] m-nus.com - V.3](#)
- Wow some choice pods from the folks at MADE can't wait till they hit miami (Adultnapper, Steve Bug, Cassy)[Save the Cannibals Podcast](#)
