

Cruel Summer

This is that part of the summer where Daniel Larusso and a thousand other kids start another year of high school and everyone's got 2 pimp. The soundtrack is 'Cruel Summer': [my new August mix](#) with some funky house, techno, electro house and a little bit of trance. There's also a big progressive jam by Greg Downey at the 30:30 mark that should not be missed either.

EDX - Sunset Miracles

Philip D - Airport (Addy van der Zwan Remix)

Ray Foxx (UK) - Furious Foxx

Jaz von D - Introfuse

Mike Hawkins & Pablo Oliveros - Slump

Robbie Buri - Exodus

Mell Tierra - The Anthem

Greg Downey presents R.I.C.O. - Afraid Of The Dark

Evol Waves - Nobody Knows

Radion 6 - Watch Out!
