ok a few more shows and some updates to add, first it appears that the playground event has been canceled, so if you sniff around you might see some info about rsvp info on the net about the rooftop party. On another note it appears we have a Stryke sighting at the Proton Radio party Wednesday night along side Open Cloud and Tom Budden at LoveHate. Damn and if there wasn't enough going on Thursday there appears to be a Drum Code party at Glass. I tell you its tough love on Thursday and Friday, you really have to make some choices. But alas Dr.Strangelove with video recorder in hand and blog on my mind will making sure your connected even if you can't make it down this year.
