

September Tidbits

Ok so lets see, lots of interesting news coming down the pipe. It appears Bjork has a bit of a delay on her new *biophilia* album. The apps that are coming out are amazing and the video directed by Michael Gondry is true to Bjork fashion, looking forward to the whole shebang.

In other news my boy The Juan Maclean has a new EP coming out digital on DFA check out the scoop and stream at [pitchfork](#). If you haven't head of Omar Souleyman the check out [fact](#) magazines article to see what you are missing, Download: [Omar Souleyman – 'Haram \(Forbidden – I Signal, You Deny\)' \[via Altered Zones\]](#). On a down note DJ Mehdi died in an accident this week, part of the Ed Banger family he will be missed by many. For those in the Jacksonville know Junior Boys will be rocking 10/7 [Ponte Vedra Concert Hall](#) with our boy Wes Reed and Epyptrixx. On the local house tip don't miss [The Garage](#) every third Thursday of the month in St. Augustine, looks like fun! One last thing, still on the *Crooks and Lovers* tip Mount Kimbie got a new video for Carbonated check it.
