

The news!!!

Holy molee. !!! also know as chk chk chk is working on another album yes!!! here is the scoop from warp:

!! (Chk Chk Chk)

The first taster from !!!'s *Myth Takes* is hitting clubs right now and already getting heavy radio rotation in Japan. The track, entitled *Heart of Hearts* is undoubtedly one of the best things they have ever done and a perfect introduction to the barn-storming new material.

!!! are also playing a NME Awards Tour show with Maximo Park, Hot Club de Paris and Blood Red Shoes at London Astoria on 21 Feb, as well as the warm-up show in Newcastle the night before. Both shows sold out in under 30 mins. A world-wide
