

## Artwalk Again

[Doc](#) decided it was time to bring back the wax so he, along with [Ted Lane](#) and [myself](#), will be toasting the finest in EDM on vinyl downtown for [September's Artwalk](#). The theme is 'Pet Walk', so come on! You know it's always a fun time.....and not to get all Corporate Joe on your ass but it's a pretty good networking opportunity, too. 17:00 - 21:00. 39 E Adams St, Downtown.
