One of the latest and greatest Dutch techno bombs at my disposal has been this corker from Koen. One track, one mix and the Art Of Noise 'Moments In Love' influence runs deep. 81/100

The most shameless one of the month. 4 Strings takes back the throne in this peaktime thunderstorm. Not for the timid and guaranteed to bring a smile if only that you recognize the first four notes are the same as 'Kernkraft 400' which is the same as the Donkey Kong theme which is the same as... 80/100
